

4th ISGS MASTERCLASS

Advanced Surgical Hands-on Course

International Society
of Glaucoma Surgery

www.isgs.info

A photograph showing a surgical training setup. A robotic arm is positioned over a model eye, which is being held by a person's hands. A monitor in the background displays a close-up of the surgical site. The setup is on a white table with various surgical instruments and a cup nearby.

December 5-6 2025
Geneva, Switzerland

GENERAL INFORMATION

COURSE VENUE

Hotel Royal Geneva
Rue de Lausanne 4-43
1201 Geneva, Switzerland

The **Registration Desk**, located on the 1st floor of the hotel, will be open as follows:
Friday 5th December: from 07:30 to 17:00
Saturday 6th December: from 08:00 to 17:00

ABOUT THE COURSE

The Course is organised in two parallel sessions, where participants are divided in two groups and alternatively will have wetlab hands-on sessions and theoretical sessions.

The focus will be on the specific surgical techniques for glaucoma and the use of specific devices. Participants will deal with practical case studies to learn management of rare complications as well as to improve their surgical skills through hands-on sessions and operative training.

COFFEE BREAKS AND LUNCHES

On December 5th and 6th, coffee breaks and lunches will be served in the exhibition area and at the hotel restaurant.

SOCIAL DINNER

The Social Dinner will be held on **December 5th at 19:30 at Restaurant Chez Sami**, located at *Rue de Fribourg 11, 1201 Genève* - 4-minute walk from the course venue. Final confirmation for the Social Dinner will be possible until 10:30 on December 5th at the Registration Desk.
